# What you can enjoy

---

We work with you to create a care plan that meets your needs. We're here to help you live the life you want, knowing that support is on-hand if you need it, day and night.

## Fresh homemade food

Our varied menu changes regularly to give you a wide range of delicious meal options and a balanced diet. However, tasty and healthy meals are only one part of our dining experience. Great service by staff who genuinely care is just as pivotal, whether it is our on-site chef team

blending the finest flavours or our care staff making time for a friendly word as they serve. We support residents who require texture modified and specialist diets, as well as focus on meeting the dietary, nutritional, and cultural needs of our residents.

## There's something for everyone

At Barford Court, we believe that keeping active both mentally and physically allows our residents to experience wellbeing. That's why we provide a myriad of activities for them to enjoy:

- Arts and crafts
- Gardening
- Day trips outside the Home
- Musical entertainment
- Cinema nights
- Pet therapy
- Armchair sports

We understand the importance of diversity and individuality amongst our residents, and therefore work closely with each person to identify and support their different interests.

## Invite family and friends

There are many indoor and outdoor spaces where you can host events with your loved ones. We can help to plan private get-togethers or special occasions at the Home if you wish.

# Types of care

---

Making the decision to move into a care home doesn't have to be difficult. We're here to support you every step of the way.

## Residential care

Residential care is provided for people who can no longer continue to live at home. It can help them to live safely, whilst giving their family peace of mind, knowing that you are in a supportive environment. We can accommodate up to 30 people with residential care.

## Residential dementia support

Barford Court offers a residential dementia support service for more than 10 people.

We believe that people living with dementia can still lead an active and fulfilled life, so we aim to start from a position of 'what a person can do' and how we can support them.

Our EMBRACE Dementia Accreditation gives recognition to our Homes that provide outstanding support, care and attention dedicated to residents living with dementia and their loved ones.

The aim is to raise and maintain high standards of dementia care using a suite of dementia modules to support care staff. Some of the modules have also been externally accredited by the CPD Certification Service. Barford Court is currently working towards achieving this accreditation.

We also work across communities and other dementia organisations to share good practices, and to ensure we are always learning more about new models of care.

### Short stay and respite care

Short stay breaks, including respite care, are available to people who are cared for in their own homes. They allow families or carers to have a rest from taking care of a loved one and allows a person to enjoy different activities and socialise with others.

### Palliative care

Caring for someone during the final days of their life requires specialist skills and understanding. We are committed to making sure that our end of life care respects and upholds a person's dignity.

### Using the latest technology

We use advanced software to record our medication processes easily. Our staff have access to our residents' profiles and care plans, and add progress notes and specific records as necessary.

Our electronic devices can also be used to convert speech into text, enabling our residents, their families and professionals to "have a voice" within the care planning process.

# One loving family

---

What makes Barford Court special is the stories of our beloved residents and caring staff members. Together, they make this Home a place where people become friends, and friends become family.

At Barford Court, you can meet new people and spend time in the Home's outdoor areas. Have a chat with your new friends, enjoy some gardening or simply relax.

In 2021, staff at Barford Court received a British Citizen's Award in recognition of their 'exceptional endeavours in the Workplace Community.'

The British Citizen Awards help to recognise individuals doing extraordinary things in the local community.

“ Our family is relieved that she is in a safe and caring environment with dedicated staff.
