What you can enjoy

We work with you to create a care plan that meets your needs. We're here to help you live the life you want, knowing that support is on-hand if you need it, day and night.

Fresh homemade food

Our varied menu changes regularly to give you a wide range of delicious meal options and a balanced diet. However, tasty and healthy meals are only one part of our dining experience. Great service by staff who genuinely care is just

as pivotal, whether it is our on-site chef team blending the finest flavours or our care staff making time for a friendly word as they serve. Our dining service is designed to provide residents with meals they can look forward to.

There's something for everyone

At Cadogan Court, we believe that keeping active both mentally and physically allows our residents to experience wellbeing. That's why we provide a myriad of activities for them to enjoy:

- Arts and crafts
- Gardening
- Reminiscence activities
- Cooking and baking sessions
- Group games
- And a long etcetera

We understand the importance of diversity and individuality amongst our residents, and therefore work closely with each person to identify and support their different interests.

Invite family and friends

There are several indoor and outdoor spaces where you can host events with your loved ones. We can help to plan private get-togethers or special occasions at the Home if you wish.

Types of care

Making the decision to move into a care home doesn't have to be difficult. We're here to support you every step of the way.

Residential care

Residential care is provided for people who can no longer continue to live at home. It can help them to live safely, whilst giving their family peace of mind, knowing that you are in a supportive environment. We can accommodate up to 48 people with residential care.

Nursing care

Our nurses are trained to deliver a more specialist level of support, which promotes health and wellbeing. This type of care is for anyone who requires 24 hours support from a Registered Nurse. We can support up to 11 people with nursing care.

Residential dementia support

Cadogan Court offers a residential dementia support service for up to 11 people.

We believe that people living with dementia can still lead an active and fulfilled life, so we aim to start from a position of 'what a person can do' and how we can support them.

We work with each resident, their family and loved ones to explore what is important to them, including their wishes, their identity and expression. This provides a holistic approach to our care and support for each individual.

We invest in our caring staff members and ensure they have the necessary skills to care for and support our residents living with dementia. Some of the training our staff undertake include:

- Dementia Awareness accredited by Alzheimer's Society
- Virtual Dementia Tour
- Enhanced Dementia Modules

We also work across communities and other dementia organisations to share good practice and ensure we are always learning more about new models of care.

Short stay and respite care

Short stay breaks, including respite care, are available to people who are cared for in their own homes. They allow families or carers to have a rest from taking care of a loved one and allows a person to enjoy different activities and socialise with others.

Palliative care

Caring for someone during the final days of their life requires specialist skills and understanding. We are committed to making sure that our end of life care respects and upholds a person's dignity.

Using the latest technology

We use advanced software to record our medication processes easily. Our staff have access to our residents' profiles and care plans, and add progress notes and specific records as necessary.

Our electronic devices can also be used to convert speech into text, enabling our residents, their families and professionals to "have a voice" within the care planning process.

One loving family

What makes Cadogan Court special is the stories of our beloved residents and caring staff members. Together, they make this Home a place where people become friends, and friends become family.

At Cadogan Court, you can meet residents like Paula, who enjoyed the owls that visited the Home and put a smile on everyone's face.

“ A lovely visit as we got to hold and stroke these beautiful birds!

Paula Anderson, Resident

You can also meet Kobi, a Labrador who has been coming into the Home since he was just a puppy. The affectionate dog always evokes memories for those residents who have had animals. This brings about plenty of stories about their own pets.

“ It is always lovely to see the residents’ faces light up when Kobi comes around. He brings joy and calmness to our residents.
