Ask your Home Management Team for a 'Refer a Resident' form to complete and return. Please ensure you have consent from

your nominated person to share their details with us.

The Home will contact the person to send an application pack and arrange for them to visit the Home. If the person moves in as a self-funded resident, you and your friend will both receive **up to £1,000 towards your care fees.***

Who can refer someone?

A resident, their family member or friend can refer someone; however, there is no cash alternative payment. All payments are made as a credit on the resident's account.

Does the person have to become a resident at the Home I live at?

No, the person can move into any of our Homes that has a vacancy.

I am funded by my Local Authority. Can I benefit from the scheme? We are unable to make a payment if your fees are

paid by your Local Authority. However, if you refer someone and they move in as a self-funded resident, they can still receive the savings off their care fees.

Can two residents nominate the same person? In this instance, the first nomination form received will benefit from the referral.
