# Permanent care offer

**Are you thinking of booking a short break with us before making a final decision to move in permanently?**

Why not take up our respite care offer of four weeks for

the price of three? If you then decide to stay with us permanently and stay for a minimum of three months - you can have another week on us!

**Terms and Conditions:** Offer only applies to residents who move onto permanent care straight after their respite period without a break. The weekly fee will be reduced from the monthly direct debit collected after the first three months. (Available to full fee paying residents only.) Respite and permanent offers end on 30 June 2026.) The respite care offer and permanent care offer are the only offers that may be used in conjunction with one another.
